Accident cover

The AcciPet policy provides cover for accidental injury only¹. There is no cover for illnesses, day-to-day care, or dental care.

The AcciPet plan has an annual \$5,000 benefit limit

A 20% co-payment² option is available

Pre-existing conditions, congenital conditions and certain other treatments and conditions are not covered.

For full policy terms, conditions and exclusions, please refer to your policy document.

¹ Accidental injury means a sudden, unforeseen and not gradual physical harm or injury, that arises directly from a single event occurring at an identifiable time and place and that is independent of any other causes, including any pre-existing condition.

² Co-payment means the percentage of each eligible claim for which you are responsible to pay. For example: for a 20% co-payment, we will be responsible for 80% of the eligible vet charges up to benefit limits, and you will be responsible for the 20% co-payment portion.
